**SUBMISSION OF FEE DEFICIENCY PURSUANT TO 37 C.F.R. § 1.28(c)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

In conducting a review prior to payment of the issue fee, it was discovered that the filing fee for this application was submitted as a small entity filing fee on February 13, 2002, when it possibly should have been submitted as a large entity filing fee. In addition, the provisional filing fee submitted on February 15, 2001, in the related provisional application 60/269,149 was also paid as a small entity and possibly should have been paid as a large entity fee. Pursuant to 37 C.F.R. § 1.28(c)(1), a separate submission is being made regarding the provisional application.

A. The following shows the calculation of the deficiency owed. The calculation of the deficiency owed is the difference between the filing fee for an application including three independent claims and 18 total claims under the fee schedule in effect as of today's date, and the \$370.00 amount paid with the filing of this application.

B. In addition, a further deficiency is the amount for a surcharge for the late filing of an oath or declaration under the current fee schedule, and the \$65.00 small entity amount paid on April 9, 2002, when the completion of missing parts for this application was filed.

C. In addition, a further deficiency is the amount for filing a RCE. The \$395.00 small entity amount was paid on April 19, 2006, when the RCE was filed.
